Provide your child's Asthma medication/reliever and spacer as per their requirements

## Ongoing Parent/ Guardian Requirements

- To provide an up-to-date Asthma Medical Action Plan (reviewed annually) signed by a Medical Practitioner to the service.
- To ensure adequate and correct medication is provided to the centre. This medication must be in date and in its full original packaging with doctor's directions/dosage.
- To communicate any changes to the medical management plan and risk minimisation plan for my child to the centre or it's representative as soon as reasonably possible. This can be done via email or in person and should be documented on the communication page of the Risk Minimisation and Communication Plan.
