Procedures

A centre orientation is always encouraged to give families and children an opportunity to find the service and meet the Responsible Person/s and Educators prior to commencement. Families are welcome to visit the centre during operating hours for an orientation and are also asked to be mindful of what activities are occurring at the time.

Enrolment and access at this service is for primary school aged children. That is, any child enrolled in Kindergarten to Year 6, and in any given year:

- Children are eligible to attend from 1st January in the relevant year when commencing Kindergarten at primary school.
- Children in Year 6 may attend up to 31st December of the year they complete primary school.

Strictly for the purposes of enabling Peak Sports and Learning to fulfil its Duty of Care responsibilities to the child and comply with policies and procedures, the following information in relation to children is requested from all parents/guardians, and records are kept in a secure and accessible place.
